

I Know Him *Edited
(Hamilton)

They say George Washington's yielding his power and
stepping away
Is that true?
I wasn't aware that was something a person could do...

I'm perplexed
Are they going to keep on replacing whoever's in charge?
If so, who's next?
There's nobody else in their country who looms quite as
large...

John Adams?
I know him, that can't be
That's that little guy who spoke to me
All those years ago, what was it, '85?
That poor man, they're going to eat him alive
Oceans rise, empires fall
Next to Washington, they all look small

All alone, watch them run
They will tear each other into pieces
What a joy; this will be fun
Da da da da da da da da ya da
Da da da da da da ya da

Hahahhahahaha
"President" John Adams

Good luck!
